Dedication

Morris Charles Klingman is one of the most dedicated teachers at Muskogee High School. He has put up with a lot from all of us.

In school, every day third hour he is challenged with his Concert Choir. In the last five musicals and years he has been an essential factor in our learning to grow up together. Mr. Klingman has put in a lot of time and effort in sponsoring the Flag and Rifle Teams.

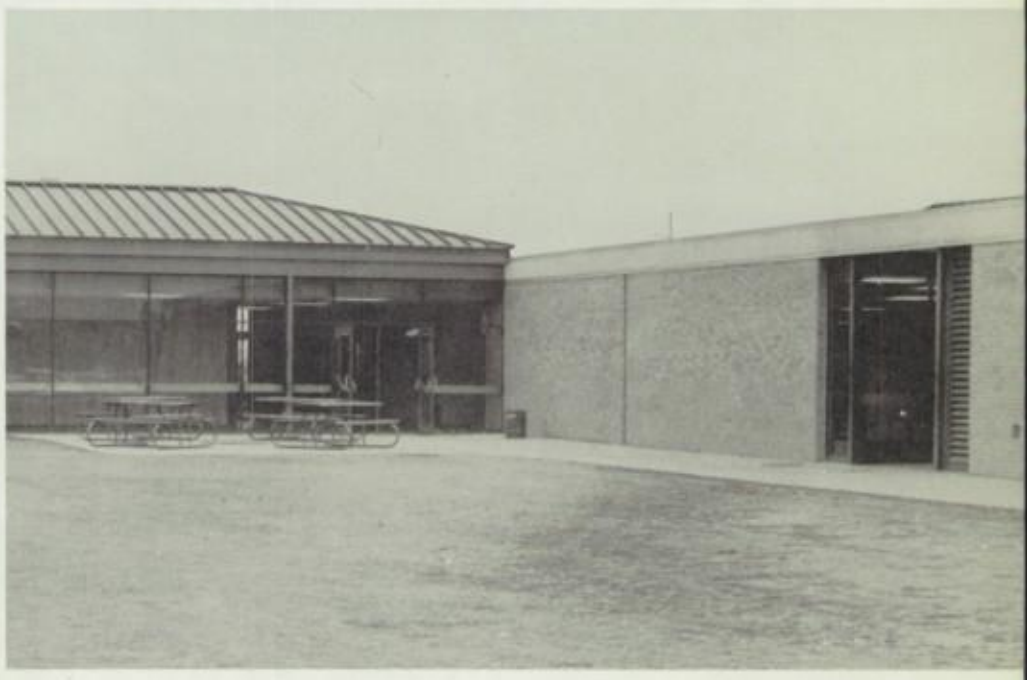
He's involved in various community and state wide organizations such as being a tenor in the community choir, Choir Director at the First Presbyterian Church, a member of the Oklahoma Music Educators Association, and many others too numerous to name.

He attended Southwestern Oklahoma State University, where he developed his life of Music. He plays the flute, piano, recorder, gives voice lessons in his limited spare time, and works with Mr. Jerry Huffer in Concert Band.

A lot of his time is taken up with photography. He furnished many pictures to make this yearbook possible. He has shown what a talented man, dedicated teacher and good friend he is to everyone in the school.

Mr. Klingman, we would like to dedicate this page to tell you how much we really care.

THANKS, "Skip"!



The School stands,
Still and lifeless
Through the long,
Summer days . . .

A soft stir of wind
Swayed the trees and
Whistled through the halls . . .

Pam,
It was fun having you in 2nd hour this year. Good luck in everything you do.
Love ya,
Janet Ainsworth

Being lost in life's day to day
routines,
We discovered each other as we
voiced our opinions;
Stopping and thinking about it,
We found that without unity we
would never win!

HOMECOMING

Football and Basketball Homecoming were busy times for Muskogee High School students. Everyone was full of spirit and excitement. This year students decorated their cars and participated in a downtown parade for Football Homecoming. Then the Roughers battled Tulsa Edison in the gridiron clash but lost 7-3. It was also Edison in Basketball Homecoming and it was a time for Coach Theodore Clement to plan some strategy for the Eagles.

PROFESSIONALS

TO THE CLASS OF 1975:

The goal of our Muskogee school system throughout your more than a decade of student days has been to prepare you to live and realize the maximum freedom and satisfaction that a democracy offers its citizens. Although your teachers have insisted upon your learning a great many cold, hard academic facts, they have attempted throughout this realization that facts alone do not make an educated human being. Regardless of how highly developed the intellect, if it is not guided by a love and understanding of other people, a sense of justice and fair play, and a devotion to duty, its contribution is negative.

I am confident that you have the ability and desire to evaluate the mass of information society offers and to sift out for yourself those things which are right and those which are wrong and to act upon your evaluation constructively. You can be and do whatever you want to do. This is your heritage. Those who provided it for you are depending upon you to use it to the fullest and pass it on in better form than you received it.

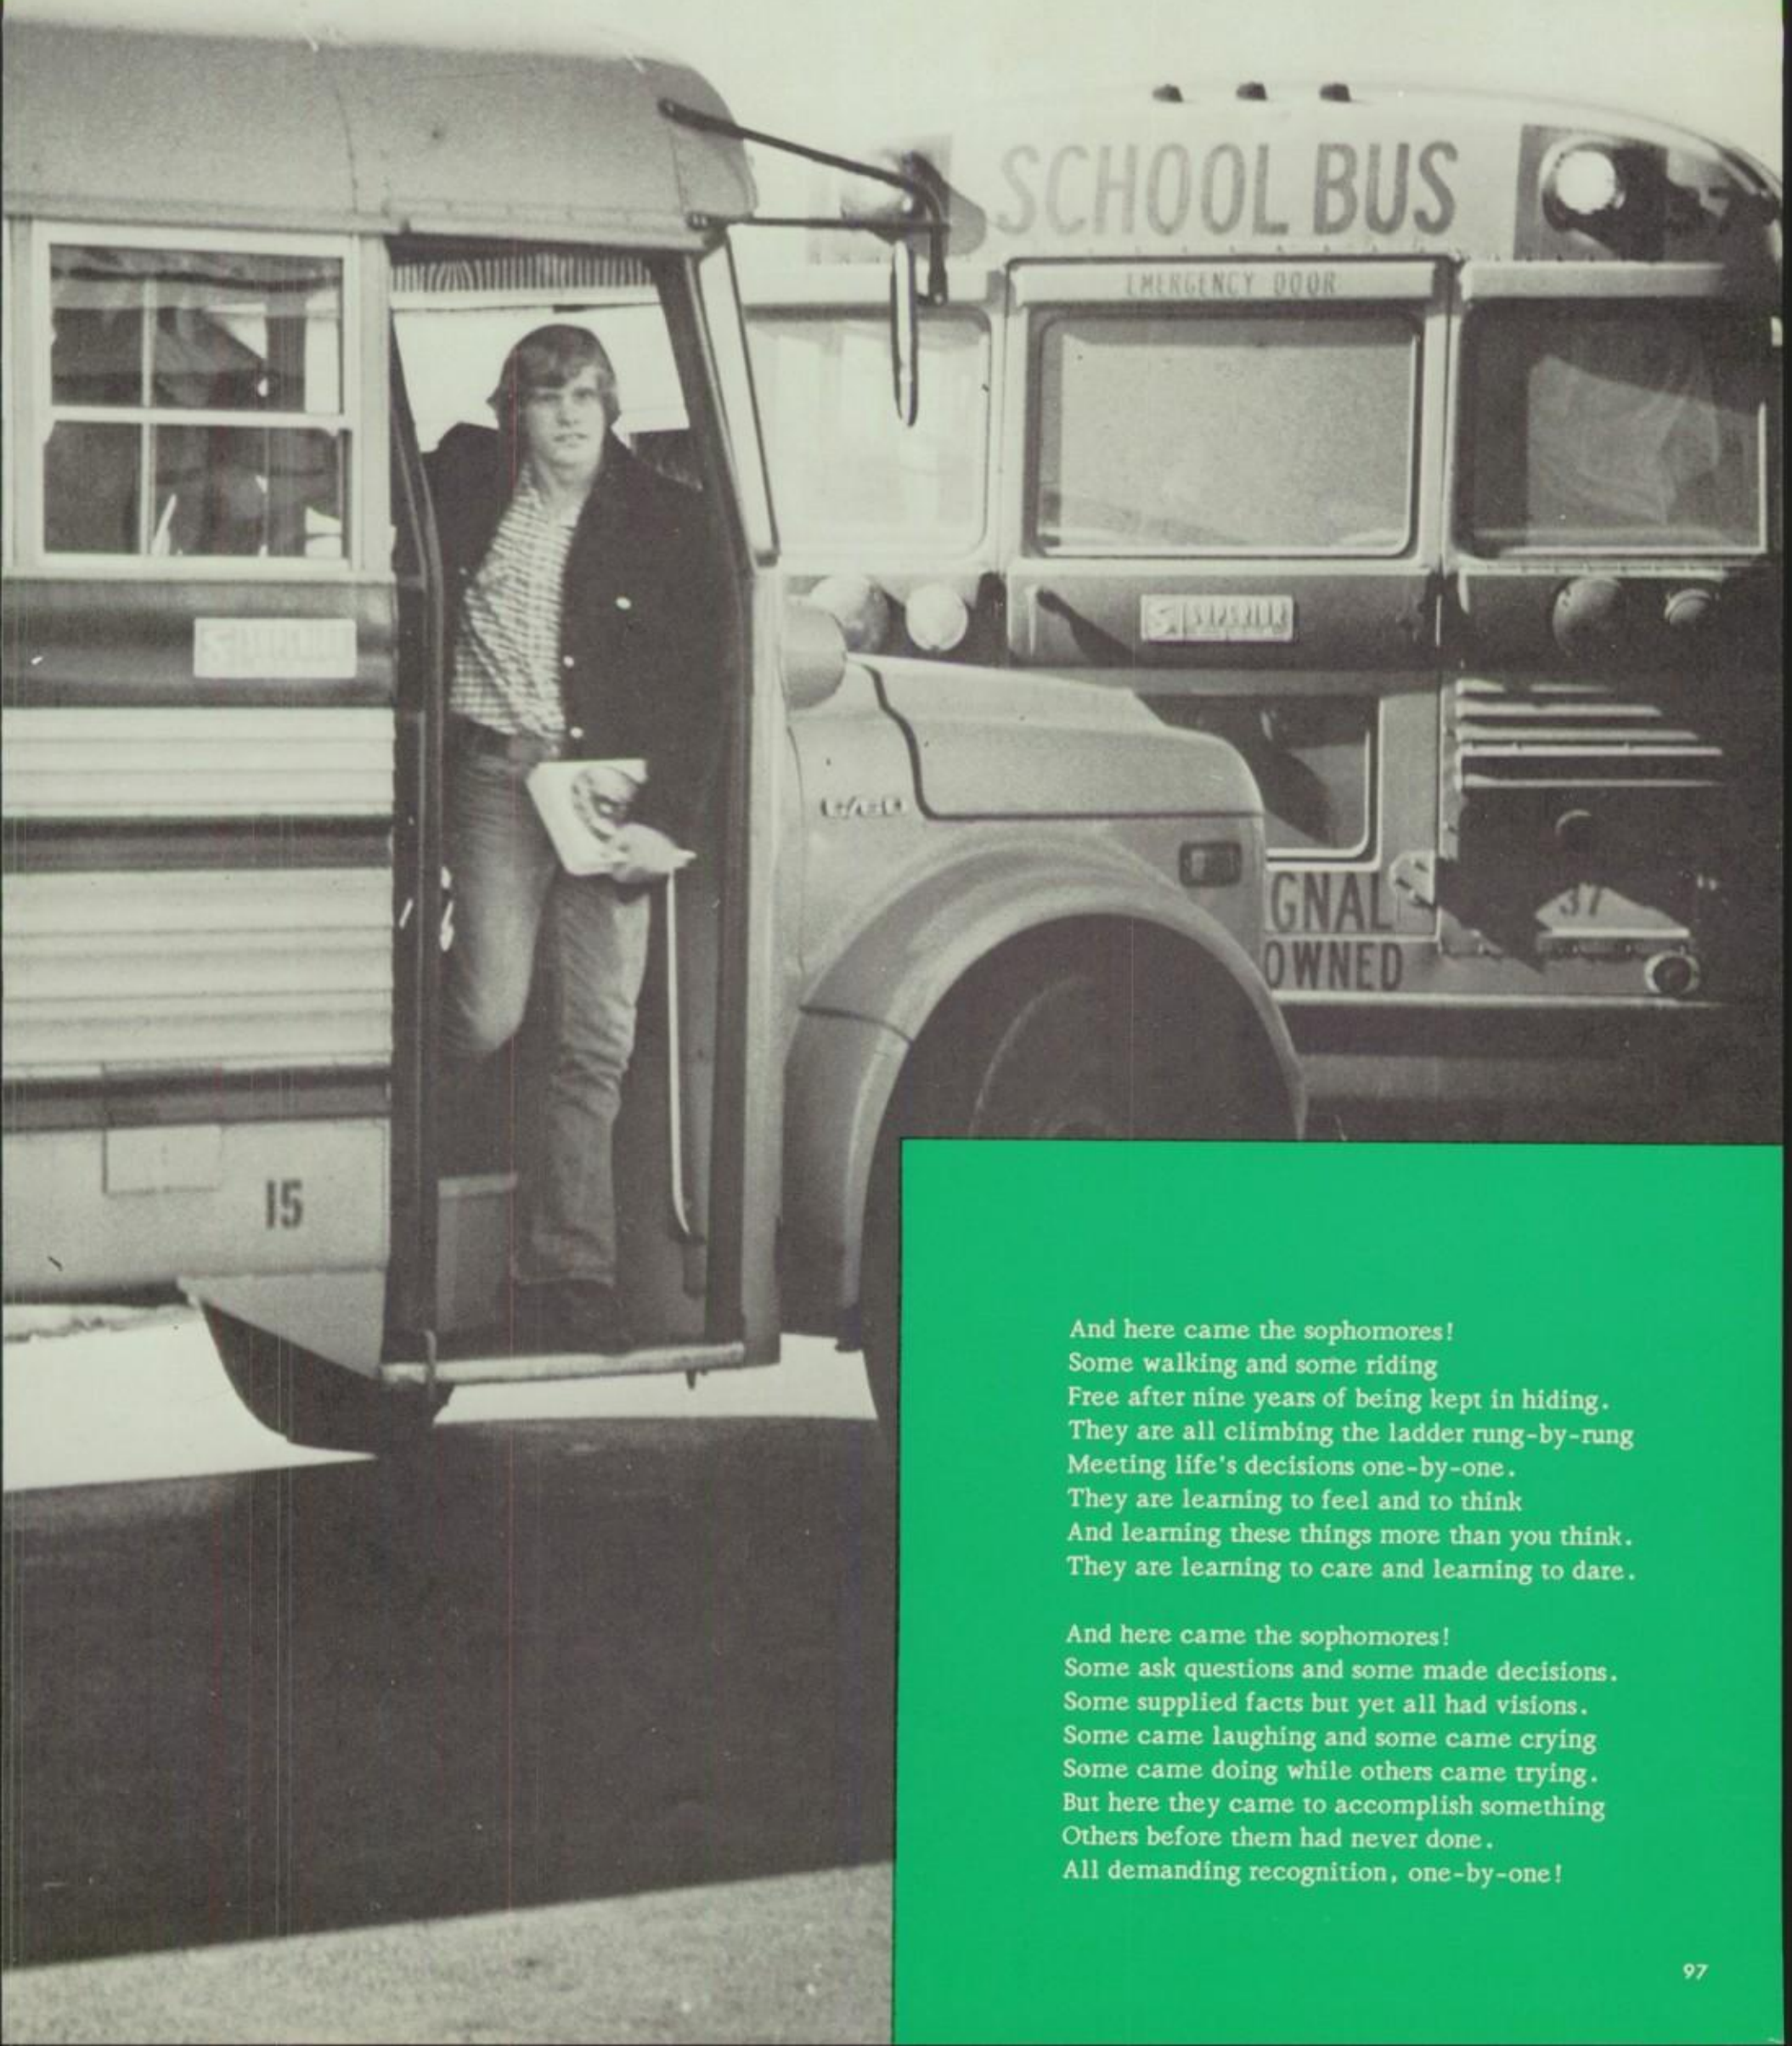
SOPHOMORES

"Our Day . . . Enter the Young"



And here came the sophomores!
Some walking and some riding
Free after nine years of being kept in hiding.
They are all climbing the ladder rung-by-rung
Meeting life's decisions one-by-one.
They are learning to feel and to think
And learning these things more than you think.
They are learning to care and learning to dare.

And here came the sophomores!
Some ask questions and some made decisions.
Some supplied facts but yet all had visions.
Some came laughing and some came crying
Some came doing while others came trying.
But here they came to accomplish something
Others before them had never done.
All demanding recognition, one-by-one!

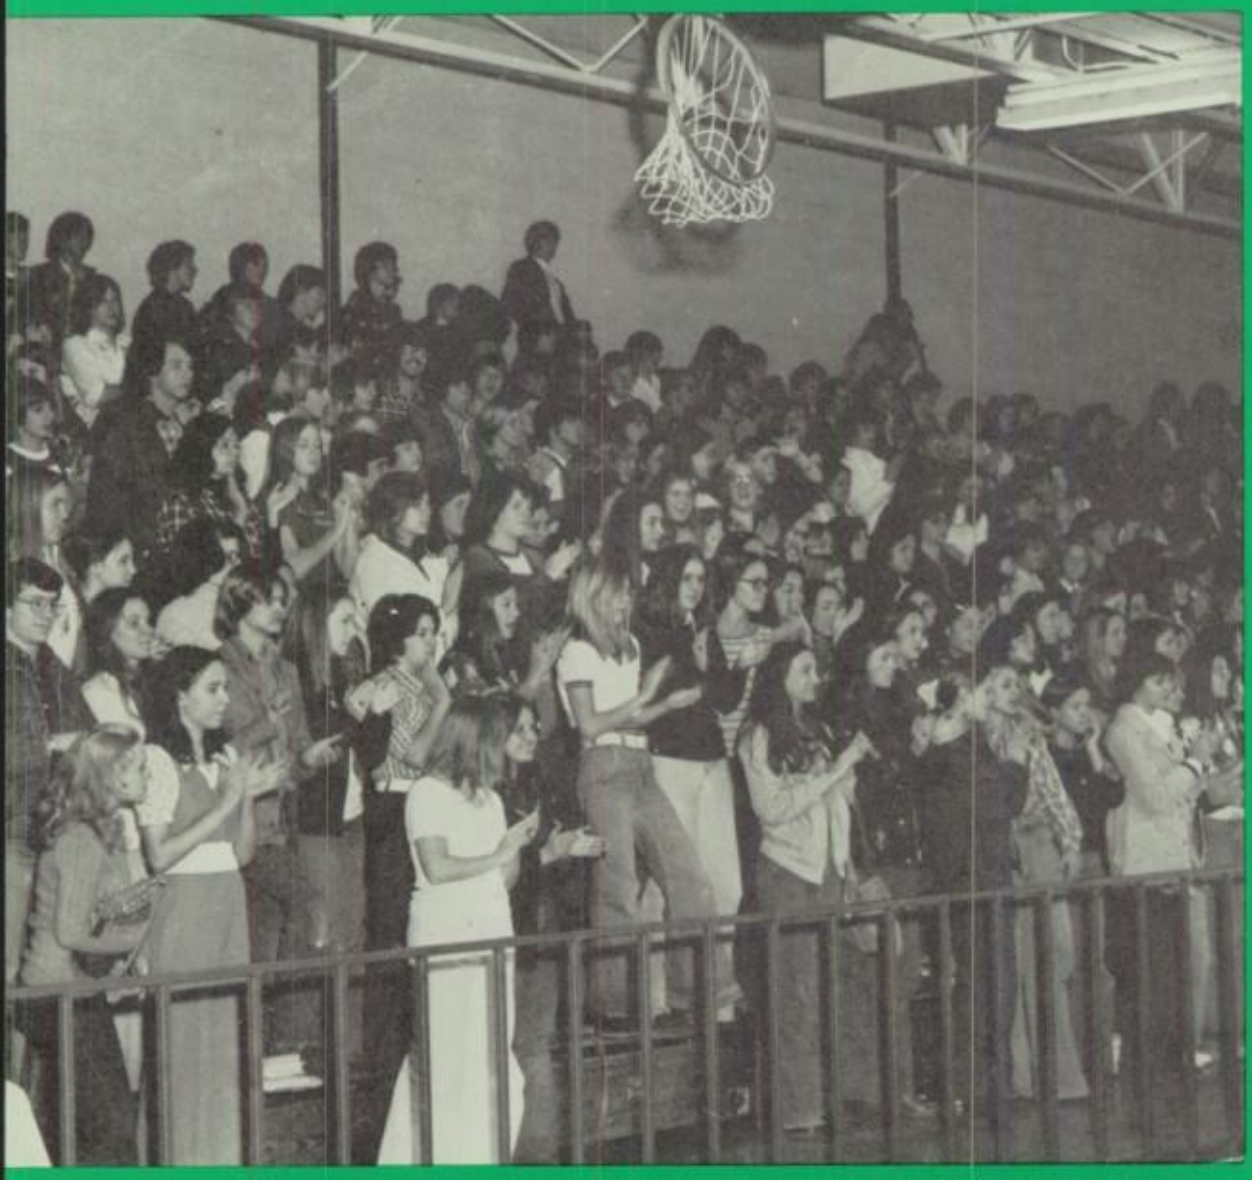
Juniors

"Our Year . . . It Will Come!"

Junior Class officers for 1974-75 include, From the Left, Ron Smith, Vice-President; Martha Fite, Treasurer; Kae Dodson, Secretary; Jackie Baker, Sergeant-at-arms; and Lori Allen, President.



Members of the Junior Class show their spirit during a pep assembly for the Rougher footballers.

Too busy to stop and notice
All the things that are real.
Embarrassed to talk about
All those things we feel.
We've really never noticed
The world and things around us
Our minds have been confused
About things we could not discuss.

But hey, look! We've changed.
Our minds have been rearranged.

We are looking all around
To see what can be found.
We are now noticing those
Things that are real,
No longer embarrassed
By the many things we feel!

Carol Muskin shows you can keep your grades up during the breaks of the Junior-Senior play.

Sr. 75

In our most secure and peaceful moments
it's hard to believe
Our high school days are almost over
and we are about to leave.
We came to MHS three years ago unsure
of each passing day
But since, we've learned time is today
and we must find our own way.
We've learned about our fellow
comrades, black and white,
We've learned how to ask questions
and to determine our plights.
We once believed that life was just
one big happy dream
But now we understand that it's just
one big flowing stream.

Memories of Muskogee High School
are like corners of our minds
Scattered pictures of smiles of our
friends we must leave behind.
Photographs we exchanged are more
than just pleasant reminders
To be placed between covers and bound
together with metal binders.
Memories of Muskogee High are sacred
and beautiful, but yet
What's too painful to remember we will
simply choose to forget.
We started our stay here unsure of the
time and day
But now we know that each of us
must make our own way.

Pam-
Well, I just met you this year & I'm glad we've gotten to be such good friends! Really I met you at the poduden puff football game, but that was under different circumstances!! How about doin' stuff this summer!! That would be dynamite!! Call me sometimes & we can book around!! Don't ever forget the ski trip!! That was so much fun! Are you gonna go next year? You better! Maybe we can find those good-lookin' dudes again! Who knows, maybe one of the M.H.S. cheerleaders will go again!!!!! You're super nice & have the best personality out of anyone of my best friends! I wished we lived closer to each other so we could get together more often! Well, I hope I have some classes with you next year!! Have a dynamite summer & try not to get into too much trouble! (Dickmann's party!!!!)

Pam, its "Most Spirited" to bad that we haven't had more time to get to know each other alittle better, but as long as I have known you, you seem to be really alright. Your very pretty and you seem to be pretty smart but most important, you have a beautiful personality, and as far as I know, I've never heard a bad word against you. I hope that some day my hair will be as long and as pretty as yours. I'm very jealous! HAHA I hope you have as much or more fun your SR year as I have. Good luck and take life easy.

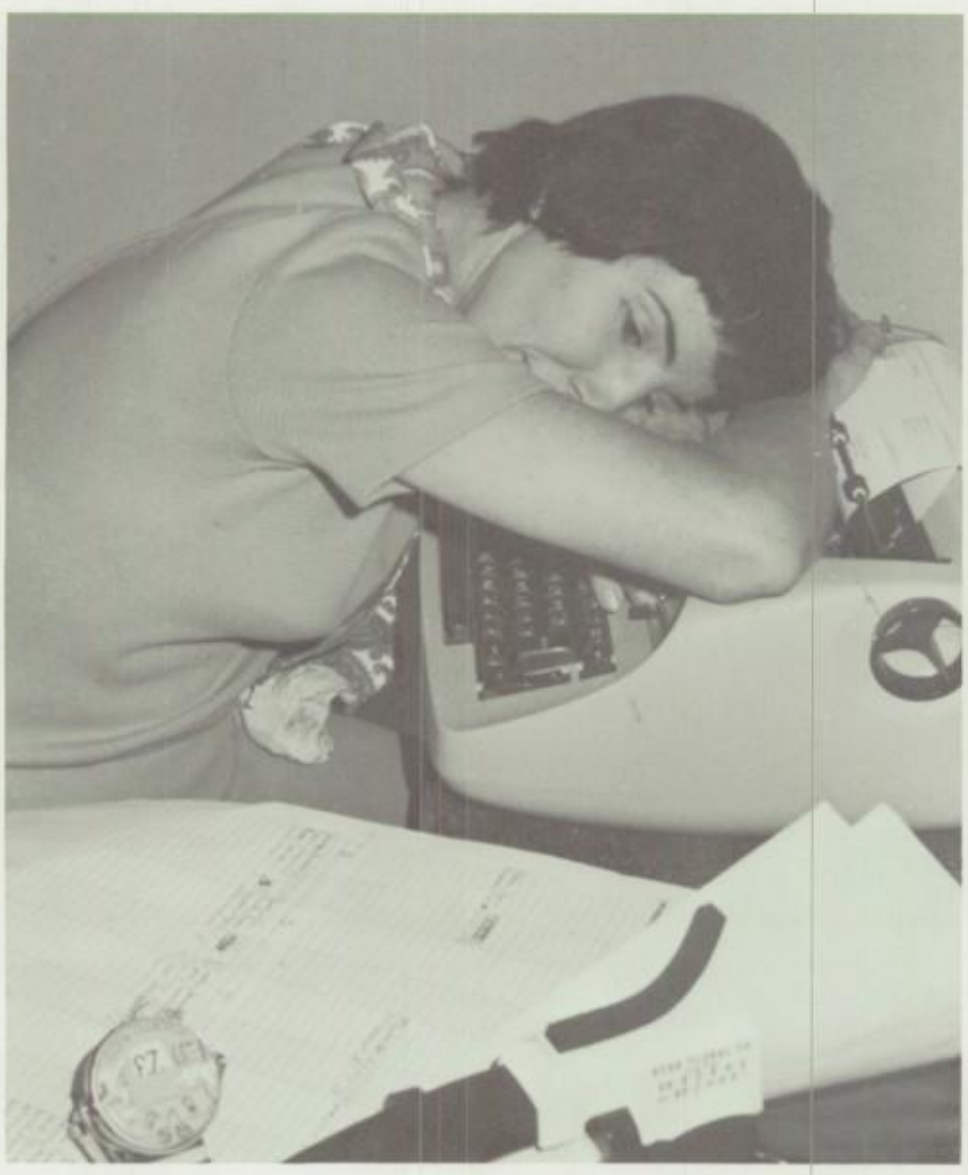
SCHOOL LIFE — 1974-75

The "gang" acting in the Little Theatre . . .

Drum Major Robert Broaduss at attention . . .



Lois Webb . . . A tired attendance clerk . . .

Doing paste-up work in the print shop, Sharon Miller and JoAnn Perryman . . .

OUR TIME . . .

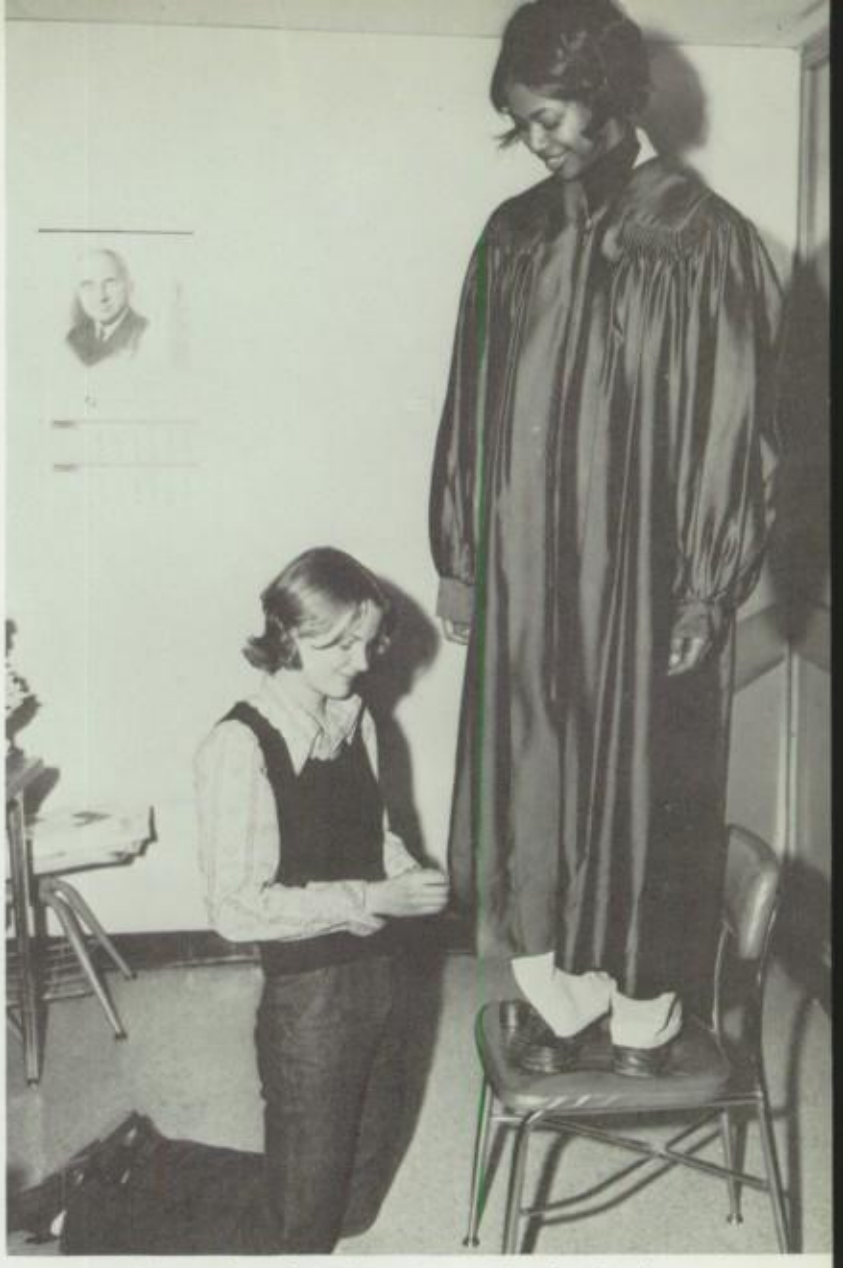
What we were born with
Is what we get . . .
Let our fears just pass away
Then our love will fill our ways . . .
As we leave our childhood days,
All of us must find our own ways!

Connie Michael running the type-setting machine for the SCOUT . . .

Terry Wade, Paul Briggs, Dan Stolpher and Bobby Wallace saying: "Hello, Mrs. Webb, we had a flat tire at lunch and we don't have a spare. So, don't expect us back today . . ."

. . . HAS JUST BEGUN

Barbara Syrus displaying her talent of embroidery on shirts . . .



Adele Upchurch sizing Joyce Taylor for her graduation gown . . .

And Beth Kennedy, Melanie Grober and Shari Woodard "Dancing to the Music" at MHS Homecoming.....

OUR DAY . . .

We were too busy to stop
And notice that things are real . . .

And it's so strange,
We never noticed the world around us,
The world spinning in such a whirl . . .

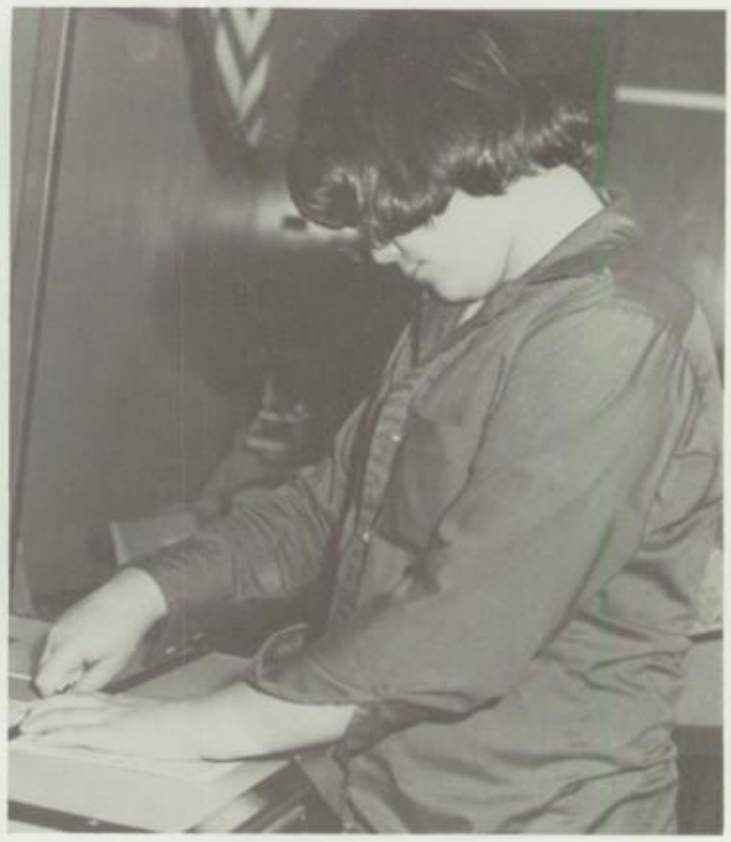
But now we have changed,
Our attitudes have been rearranged.
As we begin the search to find
What will be ours to come!

Jackie Baker and Glen Butler trying to water the grass . . .

Juniors having a good time at Basketball Homecoming dance . . .

. . . IT WILL COME

An English class reading "MacBeth" . . .



Clyde Thomas preparing a SCOUT page for the press . . .

Tom Loftis leading a junior class discussion . . .

OUR DAY . . .

Here they came,
Some walking,
Some riding . . .
Released after years of
Being kept in hiding.
Some with questions,
Some with decisions,
Making into life's incisions.

Sophomores taking a break . . .

Bill Doerner and Cheryl Stowe are climbing the stairs to being seniors of 1977 . . .

Herman Kirby demonstrating his rope-climbing abilities . . .

. . . ENTER THE YOUNG

David Hogner having trouble remembering his locker combination . . . while Phillip Porter and Greg Archer have no trouble with theirs . . .

Kent Cheatham relaxing in art class . . .

Kevin Sublett can't believe this is the new English intern . . .

WE WORKED IT

The last battle of the parking lots!

NO! You stupid white man, How's business?

Seniors and Juniors building a pyramid for the future.

OUT TOGETHER!

Jivin' "Jack Daniels" at his best . . .!

Somewhere . . .
Somehow . . .
We'll all be
Together again!

Huffer's Roughers, on their way to All-State in Oklahoma City, getting last minute instructions . . .

Pam I have known you every sense last year. And I think that you are a very nice person and crazy to

EDITORS NOTE!

but I like it anyway I have had fun with you in 5th hour and I hope to have you in some classes next year your friend
Christine Willia

It's finished! No more work and no more tears. This year the Chieftain staff worked together as a family and I would like to thank everyone on the staff for all of the cooperation. I would like to thank Kim Tackett for helping us during the deadline hours. Above everything else I thank Mr. Bob Branan for putting up with all of us. Without him, this yearbook would have been impossible. This book is our work and we give it to you, the student body. This is your book of memories as we saw them happening. I hope you like it.

SENIOR CHIEFTAIN....

. . . Is composed of Seniors who have worked hard to give the student body the best possible yearbook. Members of Senior Chieftain were Melanie Grober, Lisa Pace, Terri Ogle, Shari Woodard, Becky Daniels, Carol Halvorsen, Daireth Holleyman, Brenda Bowen, Donna Pearson, Claudia Holdridge, Carol Buddrus, Greg Webb, Melinda Ryker, Robbe (Weaver) Newkirk, and Henry Ballard.

Many people not in Senior Chieftain have contributed to the production and we would like to take this opportunity to offer our thanks. These people who deserve special recognition include MHS principals Charles Adams and Russell Bradley, MHS Annex Principal Jack Scroggins and MHS Activities Director Jerry Parsons. These people gave us the "OK" to take many of our pictures.

A special thanks also goes to the photographers who took the pictures for this book, Don Wade and Tony Ford of the Print Shop, Arlie Geymann and David Franklin, print shop supervisors; Cheryl Murrie and Wayne Siebold, of the Muskogee Phoenix; and Bill Beach and Skip Klingman. Mrs. Linda White and all other MHS teachers also deserve our thanks. They are the ones who let us interrupt their class to take pictures. Junior Chieftain also played an important role.

We feel the yearbook is a good representation of school life. We tried to capture it as we saw it. We hope you like it.

Pam,

To a really sweet gal, with an outstanding personality. Take care
See ya around next year.
Best of Luck

Love,
